This reporter for WSJ is following up on her email from last week. I'll send her our response to Cabot's letter. Are you ok with answering her other question with something like:

Tracy,

Ex. 5 - Deliberative

Please advise.

Terri - I wanted to follow up on this. Can you let me know who will be handling these results, when you get a minute?

Thanks,

Tennille

Hi Terri - Will Region 3 be releasing the results of the Dimock studies? Or will EPA headquarters be taking the lead on that? I cover energy issues for Dow Jones / WSJ and want to make sure I track those. ... Also, do you know whether EPA will be responding to the letter Cabot sent to Administrator Jackson?

Thanks,

Tennille Tracy
